

ETBF's Medal History

Olympic Games Exhibition: A Historical Review / Page 1

The sport of bowling has unfortunately never been adopted as a program sport in the Olympic Games, so far.

The sport of bowling was, however, adopted as a so called Exhibition Sport at the Summer Olympic Games 1988 in Seoul, Korea.

12 women and 12 men (for each gender 4 from each zone) participated in a singles competition for women and a singles competition for men.
