Definitions

Definition 1: European Trick Shot Masters

ETBF's Tournament Calendar

Scheveningen Dutch Open / Page 5

8 athletes will participate.

All athletes are selected by the tournament organisation.

4 athletes will be Dutch and 4 will be international athletes.

The Trick Shot format

All matches will be knock-out elimination matches.

All athletes are allowed to send in 10 different tricks before the tournament starts.

A toss will decide who will start the match.

The athlete does one of his tricks. Then the second bowler will have to copy the trick or get a higher count if this is the goal. If the first player fails to convert the trick than the second still has the chance to perform the trick.

A point is earned if an athlete gets a higher count or if an athlete succeeds a trick while the other athlete doesn't.

In case of a tie no point is awarded.

The first athlete to get 3 points wins the match.

The Trick Shot Draw

Before the Quarter Finals there will be a fixed draw.

Each Dutch athlete will meet an international athlete in each Quarter Final.

A prepared bracket will decide the matching of the three steps in the competition.

The Trick Shot Quarter Finals

There will be 4 matches

The 4 winners will qualify for the Semi Finals

The 4 losers are eliminated

The Trick Shot Semi Finals

There will be 2 matches

The 2 winners will qualify for the Finals

The 2 loses are eliminated

The Trick Shot Final

There will be 1 match

The winner will be ranked 1

The loser will be ranked 2

Definition 2: Holland vs. The World Challenge

All athletes are qualified based on their position in the general qualification standing.

Holland vs. The World Format

The first 3 Dutch and the first 3 international bowlers, who noted that they want to participate, will qualify for the Holland vs. The World Challenge.

The Dutch athletes form Team Holland and the international athletes form Team World.

Holland vs. The World Round 1

There will be one Baker Format match

The winner can use 3 athletes in Round 2

The loser can use 2 athletes in Round 2

Holland vs. The World Round 2

Both teams select an order of play. The first athletes of each team bowl 1 shot. The lowest score is eliminated.

In case of a tie the process is repeated until the tie is broken.

The eliminated athlete is replaced by the next athlete of the team.
