

Press Release 06: Olympia Tournament (2007) is cancelled

The ETBF Presidium was recently informed that Olympia Tournament, to be conducted 13-19 August 2007 in Helsingborg, Sweden as stop 15 in the EBT 2007, is cancelled.

Since the tournament is cancelled before the beginning of the EBT 2007, all ETBF member federations are invited to apply for a tournament in their jurisdiction to be adopted in the EBT 2007, as an alternate to Olympia Tournament.

Only one alternate tournament will be adopted in the EBT 2007 and the selection of this one tournament will be based on the content of the incoming applications.

The deadline for the application period is Friday 29 September 2006, where after another press release will be issued including the outcome of the inquiry.
