

Press Release 19: New players at the tour thrones

Even one stop still remains in the European Bowling Tour 2007, the top 3 of each division has been decided and in both divisions there is a new player at the throne.

After three year's ruling of Paul Moor from England in the men's division, the last two years runner up, Osku Palermaa from Finland, is overtaking the throne after a high performance season.

The same happened in the women's division, where the last three years tour queen, Britt Brøndsted from Denmark, must leave the sceptre to England's Kirsten Penny, who was 3rd positioned three times in the EBT 2001, 2002 and 2003.

The two winners will be awarded 2.500 € each, latest in conjunction with the last tour stop of the year, the 1st issue of the Storm English Open to be conducted in Lakeside Superbowl in Nuneaton on 5-9 December.

The top 3 of both tour divisions in 2007 will be:

Position	Women's Division	Men's Division
Position 1	Kirsten Penny, England	Osku Palermaa, Finland
Position 2	Britt Brøndsted, Denmark	Paul Moor, England
Position 3	Ghislaine van der Tol, Netherlands	Martin Larsen, Sweden

The European Bowling Tour 2008 is the 8th issue of the tour and for all 8 years the top 3 of each division for each year can be found at the following page.
