

Press Release 08: Minor period change in Qatar

Qatar Bowling Federation has announced that the period of their annual tournament, the Qatar Bowling Open, in 2016 will change with one day.

The tournament, which previously was announced to be conducted on 26 November to 2 December 2016, will instead be conducted on 25 November to 1 December 2016.

The change is made to make a better match between the schedule of the tournament and the schedule of the World Singles Championships, which will begin a few days later in Qatar.

Qatar Bowling Centre in Doha will be the venue for the entire international November-December program in 2016, beginning with Qatar Bowling Open in the period of 25 November - 1 December, continuing with unofficial practise on 2 and 3 December and highlighted by the World Singles Championships to be conducted on 4-12 December.
