

Press Release 05: The 11th International Wroclaw Open is cancelled

We have with regrets received information from the organizer of the 11th International Wroclaw Open, that they have technical issues in the centre of a dimension, which forces them to cancel the tournament.

The tournament, which was supposed to be conducted in February 2017 as a Satellite Tournament in the European Bowling Tour, has been included in the tour seven times 2010-2016.
